"In the file kindly sent me I do not find any requisition from the Residency for the supply of good tents to replace those not considered suitable by the officer in charge of the Madras arsenal I see no reason now to volunteer to despatch 6 others to replace these returning".

I will meet you at 11 Am tomorrow at the Office if convenient to you.

But we have no Tanks in Mysore that are not affected with Cotton Rot at least most of them are. Due to exposure & the constant use they have been put to of late years all over the Mysore State two sets of

are about 60 years old.

I think any of our

been rejected for

as they have been
constantly patched

Tents for the British Govt.

G. R. S. 12]

General and Revenue Secretariat. | File No. 324 of 1914-15

Serial No. 5

In continuation of my telegram of today, in reply to the message from the Diwan, I beg to submit herewith the opinion in original, of Col Jones.

2. His Highness' Govt have been conspicuously liberal in their help to the British Govt at this most critical juncture. But this incident, small though it be, is such as to withdraw a cloud on them unless thoroughly cleared up or mistake rectified.

3. Hence I said in the message that inspection would be desirable. It is best done by an officer who knows the requirements and who will not afterwards raise any objection in regard to the suitability of the tents.

4. Good tents are doubtless required for His Highness' Guests, but without inspection it is not possible to say whether their number is so few as to preclude the sparing of even 6 tents for the British Govt.

My dear Sir

I have brought to His Highness' notice separately that the officer in charge of the Madras Arsenal has returned the tents sent by the Durbar for Field Hospital purposes on the ground that they require Extensive repairs. Lt Col Jones was accordingly requested to send other tents in place of those returned but he reports that this might interfere with the usual arrangements for His Highness' guests during the Birth day and Dasara seasons. I think however that without parting with our best tents we may offer to the Govt. fairly serviceable ones in place of those which have now been returned. If this proposal meets with His approval Col Jones will be requested to select and send the tents from which a selection

My dear Mirza Sahib,

After you had told me yesterday of His Highness's orders in the matter of the tents, I telegraphed to the Madras Arsenal in order to find out if additional tents were still required. I said at the same time that the Darbar much regretted the mistake by which unsuitable tents had been sent; that the stock was being examined and that I hoped shortly to wire how many tents could be made available.

This afternoon I have received the following reply:-

" Very many thanks for renewed offer of help; but Government have already obtained all the large tents wanted for hospitals in France and so could not in any case now utilise the tents the Darbar kindly offer".

In the circumstances no further action appears to be required You will no doubt kindly advise the officer or department concerned.

Yours very sincerely,

Sd/ H.Daly.

From Colonel Sir H Daly,

To

Bangalore,the 25th March I9I5.

Sir,

I received yesterday from the Govt of India a telegram stating that the War Office in England urgently require,for hospital use with the Expeditionary Force in France,five hundred large tents such as are used by Govt & officials & at Darbars. The dimensions of the tents should be 320 square feet & upwards;durries & interior walls are not required. The telegram added that all Tent Manufacturers in India are fully occupied with Govt orders & that only 4I tents can be obtained from the Manufacturers' stock. I was therefore asked whether I could spare any such tents from my camp equipage &,if so,to despatch them to the nearest Arsenal. I replied yesterday that I have only five tents of the required dimensions & that these will be despatched to the Madras Arsenal by the 3Ist instant.

2. I have now received a further telegram directing me to enquire whether the Mysore Darbar can spare any tents of the kind required, &,if so,whether the Darbar will kindly permit Govt to purchase them & how many can be made available. I am to say that the Govt will be very grateful for any assistance in this direction.

3. I shall be obliged if you will kindly treat this reference as very urgent & advise me as soon as possible how I should reply.
